

Director's Newsletter for May

- Our last month together!
- It certainly has been a school year of making friends, adventures and explorations!
- Your children have been sharing, learning, and expressing themselves!
- Our lunch themed programs ended in April. **The May lunch 12-2 sessions** will now offer cooperative play, outdoor games and end with a story and song each day!

EWS staff join me in saying thank you for sharing your children with us and for all your support throughout the school year!

To our families that are moving on, we wish you the very best! To the families that are returning in the fall, we will welcome you back for new adventures!
